Dear Hon. Muscat,

Kindly be advised that it was and is not our intention to escalate any situation and confirm our willingness to fully cooperate with the competent authorities in this matter.

I also hereby confirm that my intention to give a Day Off to my employees today was for the simple reason to calm things down after the incidents of yesterday.

In the meantime I confirm that no works will be undertaken on the site in question and apologise for any inconvenience that might have been caused which was however unintended.

I remain at your disposal,
